

International Summer School

16 - 27 September 2019 in Würzburg (Germany)
for Advanced Students

Application Form

Application for Participation and Scholarship

There is a participation fee for all participants of 250 €. Due to the generous financial support of the DAAD (German Academic Exchange Service) different scholarships can be given:

- 5 participants from Guatemala will get 1.600 € each for travel expenses and lunch on course days (these scholars have to pay for accommodation and weekend meals themselves which will be approx. 500 €)
- 15 participants from Poland or Czech Republic will get support for travel expenses plus free accommodation, breakfast and lunch (Poland: 225 €, Czech Republic: 200 €)

There is also the possibility to get a partial sponsorship for another 15 students, who unfortunately cannot be granted a scholarship or who are from other countries than listed above. We can offer them free accommodation, breakfast and lunch.

Applicant Details

First Name:

Date of Birth (Day | Month | Year):

Address:

Postal Code:

Email:

Last Name:

Gender:

Female

Male

Beginner A1/A2 B1 B2 C1

Letter of Motivation

Please be aware that your letter of motivation is the most important part of your application and should be prepared in a clear and communicative way to convince the committee that you are an appropriate candidate for this summer school and the scholarship.

Please tell us something about you. Why would you like to participate the summer school? Why should a scholarship be granted to you? Do you have special interest or skills?

Please edit your letter of motivation here

Please complete and send this application via email to anna.gonel@uni-wuerzburg.de or via postal mail to the following address by the 31 March 2019 at the latest:
